

Five Themes of Geography: Maine and New Hampshire

Welcome to my back yard
in New Hampshire!

Welcome to my front yard
in Maine!

Region:
Maine and
New
Hampshire
are two states
in northern
New
England.

PLACE

The Fall Colors

Movement: Colors of the fall leading into the white of winter.

Movement:

A few of the locals on the move.

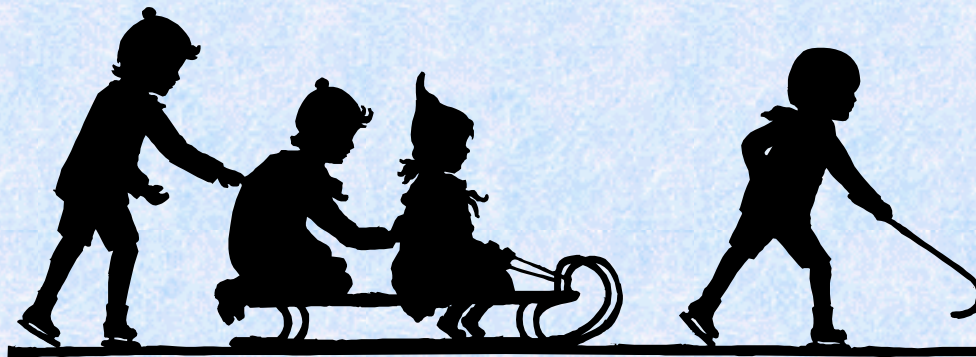

Movement: Old ways and New ways

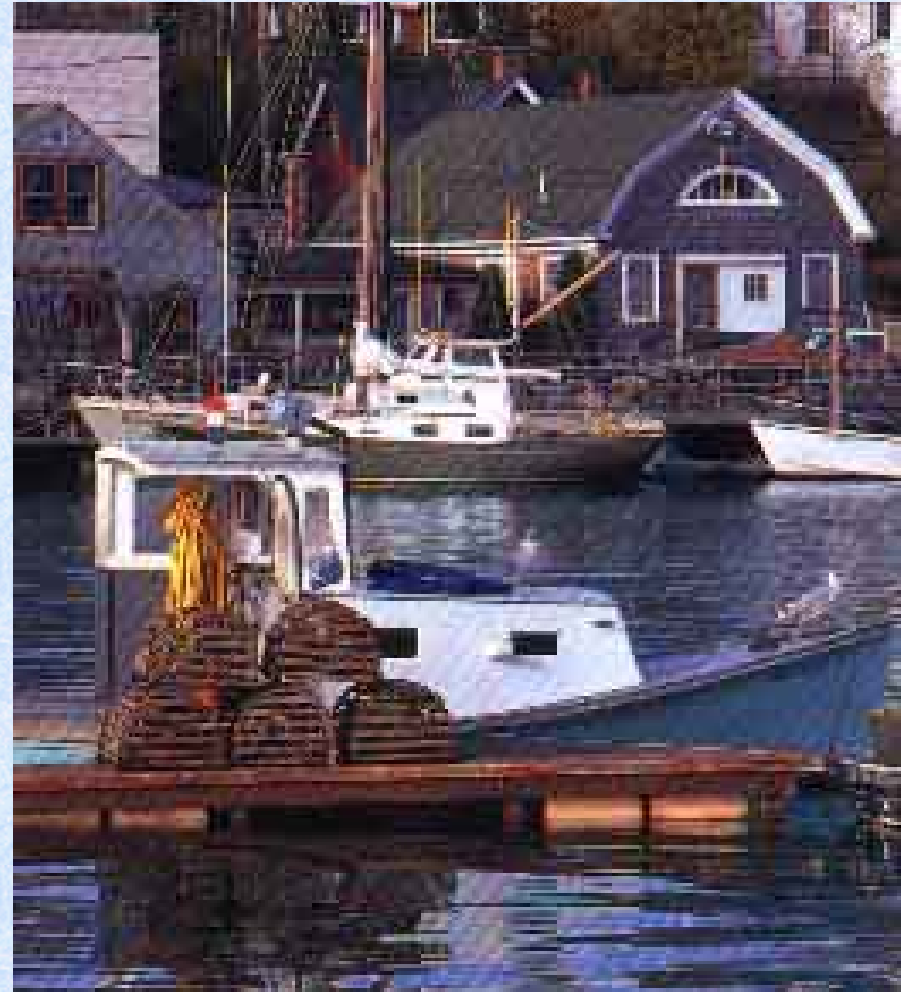

Movement & Human-Environment Interaction:

skiing, sledding, skating, dog-sledding, snowmobiling, hiking, camping, boating, fishing, hunting, tapping trees for maple syrup, hayrides & sleigh rides, building snowmen

Human Environment/Interaction: Lobstering in Maine

Acadia National Park draws many tourists. It is near Bar Harbor on Mount Desert Island in Maine.

Human Environment/Interaction

Location

- From the top of Cadillac Mountain is the first place in the continental United States to see the sunrise. Cadillac Mountain is in Acadia National Park.
